PRIVACY SLATS

PRIVACY SLATS

PRIVACY - easy to install

T&K.A privacy slats are the optimal solution against prying eyes.

All double bar and flat bar fences can be easily transformed into a privacy fence. Same goes for swing gates with corresponding infill. Just install our privacy slats and you will avoid unwanted views on your site.

Our privacy slats are made of high quality and impact resistant PVC in window quality. Excellent stress crack resistance, high end chemical stability and thorough moisture barrier defines our product.

PRIVACY SLATS – ADVANTAGES

- high quality window PVC / stress crack resistant
- made in Germany with over 45 years of experience
- UV-stable and weather resistant
- Durable, easy-care and robust
- Appealing look grooved surface
- retrofittable

Notes:

All post profiles and foundation dimensions T&K.A. recommends comply with general structural requirements. They are not a substitute for the site-specific structural analysis as specified by construction supervision. This is to be provided by the customer.

All goods declared by us as hot dipped galvanized are hot dipped galvanized according to DIN EN ISO 1461. This procedure protects all metal components against corrosion. The formation of white rust cannot basically be prevented. It is a powdery, water-soluble product of zinc corrosion formed from zinc hydroxide and zinc oxide. This is not a quality defect and with the formation of the zinc patina layer, this occurrence disappears completely. Minor surface irregularities and zinc discharge points are production-determined features and are evidence of hot dipped galvanizing (source: Zinkberatung e.V., [the German zinc consultative body] Düsseldorf).

Technical details are subject to change. Custom-made products, other RAL colors and dimensions on request.

By using our modern tube laser system, we can offer you exceptional solutions for any demand you may have. Please contact us!

DIMENSIONS

2550/190/1,3 mm or 2520/190/1,3 mm

QUANTITY BREAKS (FOR BOTH DIMENSIONS)

from 1 packing unit	(=10 pcs.)
from 1 palet	(=1.000 pcs.)
from 2 palets	(=2.000 pcs.)
from 3 palets	(=3.000 pcs.)
